PERSONAL AND SOCIAL NOTES AND HAPPENINGS IN TOWN.

Doings of the Various Sets in this City and Its Immediate Vicinity--The Goings and Comings and Other Items of General Interest.

H. H. Granice was a visitor to the Exposition City Sunday.

Miss M. Russell of Oakland visited Sonoma friends Sunday.

Mrs. H. Fowler of San Francisco was the guest of home relatives Sunday.

Born in Sonoma the latter part of last week, a son to the wife of Emile Cornelius.

Fred Hansen, our local chicken man, has just disposed of three thousand little chicks.

Bill Daly of San Francisco is making many improvements on his property on Spain street.

Volquardson's well boring outfit has just finished a well at Marble Hall Hotel near Boyes Springs.

Doc. Engler, an N. W. P. braker, was in town several days this week renewing old acquaintances.

H. H. Eaton, the well-known real estate man of Boyes Springs, transacted business in San Francisco last Saturday.

Dal Emparan of the Crane Co., San Francisco, was in town the fore part of the week, a guest of home relatives.

Mr. and Mrs. Pezzaglia and Mr. and Mrs. La Franchi of San Francisco were guests at the Swiss Hotel Sunday.

A. Beretta, Sonoma's progressive, is having a neat porch built in front of his pretty cottage on Second-street East.

Misses Lettie and Mary Watt of Oakland visited friends here the first of the week. They were formerly of this place.

Ed. Quay, the well-known road builder, is busy at Sonoma. Highlands with a crew of men building new roads on the new subdivision, formerly the Waterman tract near Boyes Springs.

Dutch Vincent, well-known in sporting circles at El Verano, has given up the pastime and accepted an apprenticeship with contractor Gowans of Boyes Springs to learn the carpenter trade.

A number of summer cottages are being constructed on the Louis Parente property at Verano. When finished the place will be leased to a San Francisco party, who will conduct a summer resort the coming season.

John Basilou, who recently returned to El Verano after spending the winter in the Bay City, was in town Monday renewing old acquaintances. He has again taken up his barber shop in the Danieli building and to the writer looks the same as he did twenty years ago.

Mrs. Mary Clements, who makes her home here, there and everywhere, was taken to San Francisco the first of the week and placed in the Old Ladies' Home. The old lady is eighty-four years of age and very feeble.

H. Pellissier of San Francisco, arrived here the first of the week, and will remain for the summer season to reopen the Lawrence Villa of which he is the owner. It is one of the most popular resorts of Sonoma Valley.

Mr. and Mrs. Closkey were here the fore part of the week visiting friends. Mr. Closkey was a welcome visitor and is erecting a large apartment house in the metropolis. He will also build on his lot recently purchased at Boyes.

The dance at the El Verano Villa each Saturday evening is very popular. Last Saturday a large crowd of San Francisco and local people assembled and enjoyed an evening of pleasure. Perkins' orchestra furnished the music.

A large crowd of baseball enthusiasts assembled at Parramore's Park, Boyes Springs, Sunday, to witness the ball game between Modesto and the Sonoma boys. The game was interesting and after nine hot innings the score board then spoke 8 to 3 in favor of the visiting team.

The new reporter of the Sonoma Index-Tribune, writing the personal and social notes and happenings in Sonoma and vicinity, would like to get in communication with Marjorie of El Verano and Easy Jim of Vineburg. That is, Easy, to get acquainted with some of your beautiful lady editresses and steal one to help us out in writing the weekly news.

Bill Block, Vineburg's doll, passed through town Sunday morning en route to Boyes Springs. At Sonoma all were wondering whether it was Del Howard of the Seals or Oris Overall or some other celebrity of the baseball game. With his tan shoes, brown suit and cockney cap Willie certainly represented the Sonoma ball team, but his playing at the game showed that Easy Jim's protegee was out of the game as a ball player.

Among those who witnessed the game at Boyes Ball Park Sunday were Sam Lewis, our local butcher who, when the Sonoma team was losing, left the grounds in disgust. Mayor Cummings pitched the first ball right over the plate. Dr. Thomson looked nervous when our boys were losing; real estate man Tom Baines pulled an owl cigar and looked wise while Art Hickman introduced the batteries. In all it was a good assemblage and all were enthusiastic.

Deny the Soft Impeachment

Mrs. F. T. Duhring and Mrs. P. N. Stofen, whom the Expositor stated in last Saturday's issue were candidates for City Trustees at the election next Monday, in order to gain a journalistic scoop on its contemporary, are out in a published statement denying that they are candidates for any office. Mayor M. E. Cummings, whom that reckless sheet stated was out for the nomination of County Assessor, likewise denies that he is aspiring for that office.

The moral of this is: When you want the real news read the Index-Tribune, which publishes only facts.

Mr. and Mrs. McIntosh Shaw Entertain

Mr. and Mrs. Wm. McIntosh Shaw entertained a number of friends last Saturday evening at the palatial home of Mr. William McIntosh, the occasion being in honor of a number of city friends who were visiting at their home. There was dancing and feasting until 2 a. m. Between thirty and forty guests were present all of whom were most graciously received by Mr. and Mrs. McIntosh Shaw.

Moved to New Location

Eugene Oppiger, the jeweler, has moved his store from Clerici's shop on Napa street to the building of Busby & Coates on Broadway. The change was necessitated owing to Mr. Oppiger's growing business and to obtain larger quarters. He is a first class jeweler and a very popular young man and his friends wish him success in his new quarters.

Trinity Church

When the sun begins its course on Easter morning people all over the earth will spring forth with songs and praise. The whole earth will be a great, choral company singing for God's ear, a glorious triumphant chant--an endless "Alleluia!"

Those who are agreed in nothing else will meet together in this common joy--the coming of Christ from the dead.

For the Resurrection of Christ is the opening of the doors of the future to the faithful. It is the sign of gladness of the whole human family to whom the gospel is preached. It is the first step in the life of immortality.

And we in Sonoma--shall we join in this world wide rejoicing?

The church has placed Easter Sunday among the few days of special obligation. The day is appointed the Holy Communion as the great service of praise and thanksgiving.

May our hearts be filled with all Easter love and peace so that we worthily receive the Risen Christ--the Glorified Son of God.

Services on Easter Day, Sunday, April twelfth:

Celebration of the Holy Communion at nine o'clock. Special Easter Service with sermon at eleven o'clock.

The music will be as follows: Processional Hymn 121, "Alleluia" from Palestrina. Venite, 142, Gadsby. Te Deum in G, West. Benedictus in G, Albridge. Anthem "As it Began to Dawn," Vincent. Hymn, 113, "Christ is Risen," Sullivan. Offertory Anthem, "They Have Taken Away My Lord," Filby. Hymn, 112, "Jesus Christ is Risen To-day," Worgan.

Temple Lodge No. 14, F. & A. M., has been invited and will be present at this service. All other Masons welcome.

Choral Evensong at five o'clock. Parish meeting on Easter Monday at seven thirty p. m. in the church. All Communicants are requested to be present at this meeting.

BUENA VISTA ITEMS

The hot spell of a few weeks ago caused an advanced growth in the vineyards, so that Jack Frost had rich pickings on his recent visit.

The building of the new Buena Vista Emporium is making rapid headway. A first-class grocery store will be conducted by Mrs. Guyot. Masters Ray and Lee will act as assistants.

The Rich-Waller Real Estate Co. brought up quite a crowd of prospective buyers from the metropolis last Sunday. There seems to be a big demand for Sonoma Mission farms. Watch Buena Vista grow.

Mr. Schuhmann, better known as "Buena Vista Caruso," is erecting a twenty-room hotel. He is thinking of putting into it a music room for the use of the celebrated Buena Vista Quartet, of which he is the star member.

O. Matthes, the local carpenter and contractor, went to his ranch at Woodland lately. He found a starved jack-rabbit in his grain-field and he now concludes that this year's grain crop will probably not reach the four-ton-the-acre mark.

We are told that, "Shovel" Hauer, the boss staveslapper of Rhinefarm, was found apparently fixing a leak in a tank containing rare old port wine, but closer inspection revealed that his only tools consisted of a soft rubber hose and a glass. Now, Shovel, you should not mistake the bung-hole for a leak. Did you get that?

EUSTASIA T. ATLER.
Buena Vista, April 6th, 1914.

EL VERANO ITEMS.

James Baines left for San Francisco Sunday on business.

R. E. Mullen visited in the Bay City Monday.

Emile Dutil was visiting with his folks here Saturday and Sunday.

Harry Baines left for Ukiah Monday with a load of passengers for that place on business.

Special Dispatch

In a vast co-operative movement to give the storage egg a black eye, the people of Oakland, through the Chamber of Commerce, have placed an order with Petaluma chicken ranchers for 350,000 dozen eggs a month. The eggs, the order specifies, must be absolutely fresh and guaranteed. While California is one of the greatest of egg-producing states, it does not raise enough, by many millions, to supply its yearly demand, and eggs come here from the East by the thousands of cases. These cost practically as much as the fresh laid ones of this state, and Oakland residents, by placing the huge order, can get the advantage of wholesale shipping rates--that will bring the cost equal to or lower than the price of the storage article.

Practically every grocer in Oakland has agreed to the plan and the eggs will be distributed among them on arrival, each taking what he can handle.

Second Installment of County Taxes Must be Paid by April 27

The second installment of State and County taxes are now due and payable at the office of Tax Collector Collins in Santa Rosa or may be paid at either of the banks in this city. If not paid on or before April 27th they will become delinquent and a 5 per cent penalty will be attached.

Ordinance No. 136

An Ordinance granting a Franchise for the Furnishing of Gas for Lighting and Other General Purposes to the Inhabitants of the City of Sonoma.

The Board of Trustees of the City of Sonoma does ordain as follows:

Whereas, an application was presented to this Board at its regular meeting held on the 4th day of February, 1914, for a franchise to use the public streets, alleys and thoroughfares of the said City of Sonoma for the period of twenty-five years, for the laying of pipes and conduits therein, and connections therewith, for the introduction into and supplying said city and its inhabitants with gas for lighting, heating and other general purposes; and

Whereas, a resolution was passed by this Board, at its said regular meeting on said 4th day of February, 1914, declaring that it was the intention of this Board to grant said franchise to the highest bidder therefor, for cash; that sealed bids therefor would be received by the Board of Trustees up to and until the hour of eight (8) o'clock p. m., Wednesday, the first day of April, 1914; that notice of such intention to award such franchise to the highest bidder, and of the terms of such award be given by publication for four successive weeks in the Sonoma Index-Tribune, a newspaper of general circulation published weekly in said City of Sonoma; and

Whereas, the aforesaid notice has been duly published in accordance with and according to the terms of said resolution; and

Whereas, said bids were duly opened at the regular meeting of this Board on the said first day of April, 1914, and

Whereas, the bid of Ralph E. Murphy, of the sum of twenty-five and 50-100 (\$28.50) dollars, accompanied by his certified check for the said amount of his bid, was the highest bid, so formally declared by this Board, and the motion was then and there made and carried to the effect that the said franchise should be awarded and sold to said Ralph E. Murphy.

Now, therefore, in conformity with and ratifying the said action of this Board, a franchise is hereby granted for a period of twenty-five years, to Ralph E. Murphy, his heirs and assigns, to use the public streets, alleys and thoroughfares of the City of Sonoma, County of Sonoma, State of California, for the purpose of laying down pipes and conduits therein, for the introduction into and supplying said city and its inhabitants thereof with gas for lighting, heating, and all other domestic purposes, and connections with said pipes.

2. For the erection of a plant for the manufacture of gas, and the erection of the necessary buildings, storage tanks and reservoirs, in connection with said plant.

3. In consideration of the rights and privileges and of the franchise hereby granted, the said grantee, his heirs, successors and assigns, shall pay annually to said City of Sonoma two (2) per cent of the gross annual receipts arising from its use, operation or possession, excepting that no percentage shall be paid thereon for the first five years immediately succeeding the date hereof.

4. That the main pipes or conduits shall be laid at a depth of not less than ten inches below the level of the street on which it is located, and that the lateral mains or conduits in all side streets and alleys shall be laid to a depth of not less than ten inches below the level of the street.

5. The price of gas, under this franchise to be furnished to the inhabitants of the said City of Sonoma, shall hereafter be fixed by the Board of Trustees of the City of Sonoma, by ordinance.

6. The Grantee of this franchise herein set forth is required to file with the Clerk of this Board, the Clerk of said City of Sonoma, within twenty days after the granting to him of this franchise, his acceptance in writing of the provisions of the same.

7. The grantee of this franchise shall begin to lay at least 1000 feet of 12-inch gas pipe with connections to shut off on inside of curb, in the city of Sonoma, within thirty days from this date; and shall expend within six months from this date, at least one thousand dollars in the purchase and improvement of a lot upon which to locate the gas plant granted by this ordinance; and shall erect the necessary plant, buildings, storage tanks and reservoirs, and the laying of gas pipes and conduits therein and connections therewith, and duly complete the same within two years from this date, failing to

do which within said time, the said franchise shall be forfeited.

8. This franchise is granted subject to such ordinances as have been adopted by said Board of Trustees of the City of Sonoma for the purpose of insuring the restoration of the condition of the streets and thoroughfares to substantially the condition in which they were found and to limit the time any street or section thereof may be closed.

9. This ordinance shall be published once in the SONOMA INDEX-TRIBUNE, a newspaper of general circulation, printed and published in the said City of Sonoma, and shall be in full force and effect from and after the 30th day of its passage.

Introduced at a regular meeting of said Board on the 1st day of April, 1914, and passed and adopted at a regular meeting thereof on the 7th day of April 1914, by the following vote:

Ayes--Trustees Breitenbach, Dal Poggetto, Johnson and Wagon.

Noes--None.

Absent--Trustee Cummings.

J. D. WAGNON,
President pro tem. of the Board of Trustees of the City of Sonoma.
Attest: H. W. GOTTENBERG,
City Clerk.

Baseball Season Begins--Sonoma vs. Kenwood Tomorrow

Local admirers of baseball will be glad to know that the season of 1914 will be opened in Sonoma tomorrow (Sunday) afternoon and it will begin with ceremony, too. Mayor Cummings is to hurl the first ball over the rubber, pursuant to which feat the Kenwood A. C. and the B. B. C. will line up for the first contest in a series of three games. When these three games are over, the home team will play city teams.

The Sonoma boys have some good material for a fine ball club, and with a little practice will hold their own against the amateur clubs in this neck of the woods. Boccio and Jansen will pitch for Sonoma and Geo. Block will catch.

Come out everybody and encourage the boys. A boost is better than a knock every time. The game will begin at 2:15 p. m.

Lewis and Cummings Dissolve Co-Partnership

Messrs. Lewis & Cummings, for many years engaged in the butchering business here, have dissolved partnership. Mr. Cummings retiring. The business will now be conducted solely by S. B. Lewis. The retirement of Mr. Cummings from the firm is greatly regretted by his many friends, even though Sam is alright.

BLACK POINT BOOSTERS WIN.

The Great Highway Scheme Conceived by El Verano Development Association and Index-Tribune Now Goes Through.

Sonoma County Supervisors on Thursday Unanimously Appropriate the Necessary \$75,000 to Asure Building of the Great Public Highway.

All hail to the El Verano Development Association, its noble little band of tireless workers, and "The Sonoma Index-Tribune," the organ of the Association, which conceived and carried out to a successful conclusion the \$290,000 Black Point Cut-Off thoroughfare.

After many months of tireless work on the part of the Association and citizens of this valley generally, and in which our local Chamber of Commerce and the Embarcadero Improvement Club were no small factors, their efforts have been crowned with success.

At a meeting of the Sonoma County Board of Supervisors, held Thursday, its members unanimously appropriated the necessary \$75,000 as this county's share toward building the great public thoroughfare, and it is now an assured fact.

Again we say, all hail to the noble little band of tireless boosters who have made possible an improvement which will add millions to the assessment roll of our county.

The editor of the INDEX-TRIBUNE, who has been quite ill the past week from overwork, will take a rest cure for a week or two. During his absence Mrs. Frank Koenig of this city, one of the brightest newspaper women in the state, will manage the paper.

EL VERANO ITEMS.

Adeline El Verano was visiting in the Bay City last week.

A good deal of real estate has been sold the past week, which looks good for El Verano.

T. H. Baines made a business trip to Glen Ellen and Kenwood the fore part of the week.

Denny Crane of Crane's resort is having his buss remodeled and painted for the summer season.

Adolph Chavalier has been ill. He has just returned from the metropolis where he was in a hospital.

Mr. Dornard has purchased the Grosskopf place here. He is going to convert the place into a floral farm.

A. Block, Chas. Danieli and E. Davidson were on business bent to Vineburg this week and visited the several resorts around the burg.

Dan Singleton, a business man of the Exposition City, accompanied by his friend Mr. Teabolt, were visitors in our little town the past week.

The Bellevue Hotel has its force all imported for the season. Everything is now in shipshape for the guests that are coming quite fast already.

The best news we have heard is that Paul Mosner, our El Verano capitalist, is going to be captured by a fair lady and the wedding is not far off. Paul says watch me.

A nice specimen of gold has been given to the writer which was found on Sonoma Mountain in a small strata of gravel. This specimen can be seen at the El Verano Lumber Yard. It is in possession of A. Block. We hope this find may be the forerunner of a mining industry in this valley.

Assessor's NOTICE

TO

Property Owners

All taxpayers are required by
the constitution to make and deliver
to the County Assessor annually
a statement, under oath, setting
forth specifically all the real and
personal property owned by such
person, or in his possession, or under
his control, at 12 o'clock, M.,
on the first Monday in March.

Note—The assessment of property
throughout the State of California
is made during the months of
March, April, May and June, and
the law requires that each individual
property holder file a state-
ment with the assessor or his deputy
during these months.

Personal Property

The Assessor must collect the
taxes on all personal property
when in his opinion said taxes are
not a lien upon real property sufficient
to secure the payment of the
taxes. The Assessor or his deputy
must collect such taxes at the
time of making the assessment.

State, Poll and Road

Tax

Are due on demand from all per-
sons liable to same, between the
1st Monday in March and the 1st
Monday in August. The amount
is \$3.00 each. If not paid by the
1st Monday in August, \$1.00 is
added, and the amount becomes
\$3.00 each.

All persons owning real estate
that has heretofore been assessed
to the wrong name, or those who
have purchased real estate within
the past year, are requested to ap-
pear with their deeds at the
Assessor's office or to the deputies,
during the months of March, April
and May, and have the changes
made.

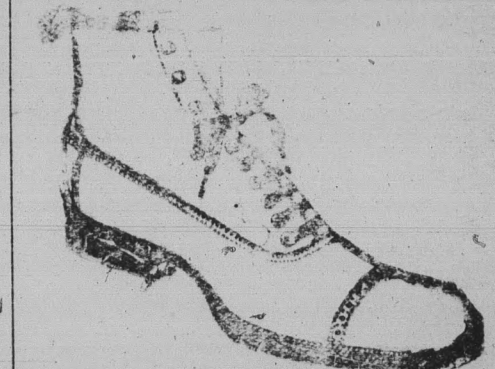

Will those having fruit trees or
vines kindly enumerate the same,
giving number and age of each
ind, so as to save time when the
deputy assessor calls.

Any desired information relative
to assessments will be furnished
upon application at the county
assessor's office, Court House, Santa
Rosa.
